ExitLeft Productions' Singing for Performers Classes were founded in 2002 to assist developing performers in establishing and expanding their Singing and Performance abilities.

ExitLeft provides its students with a variety of performance opportunities throughout the year.

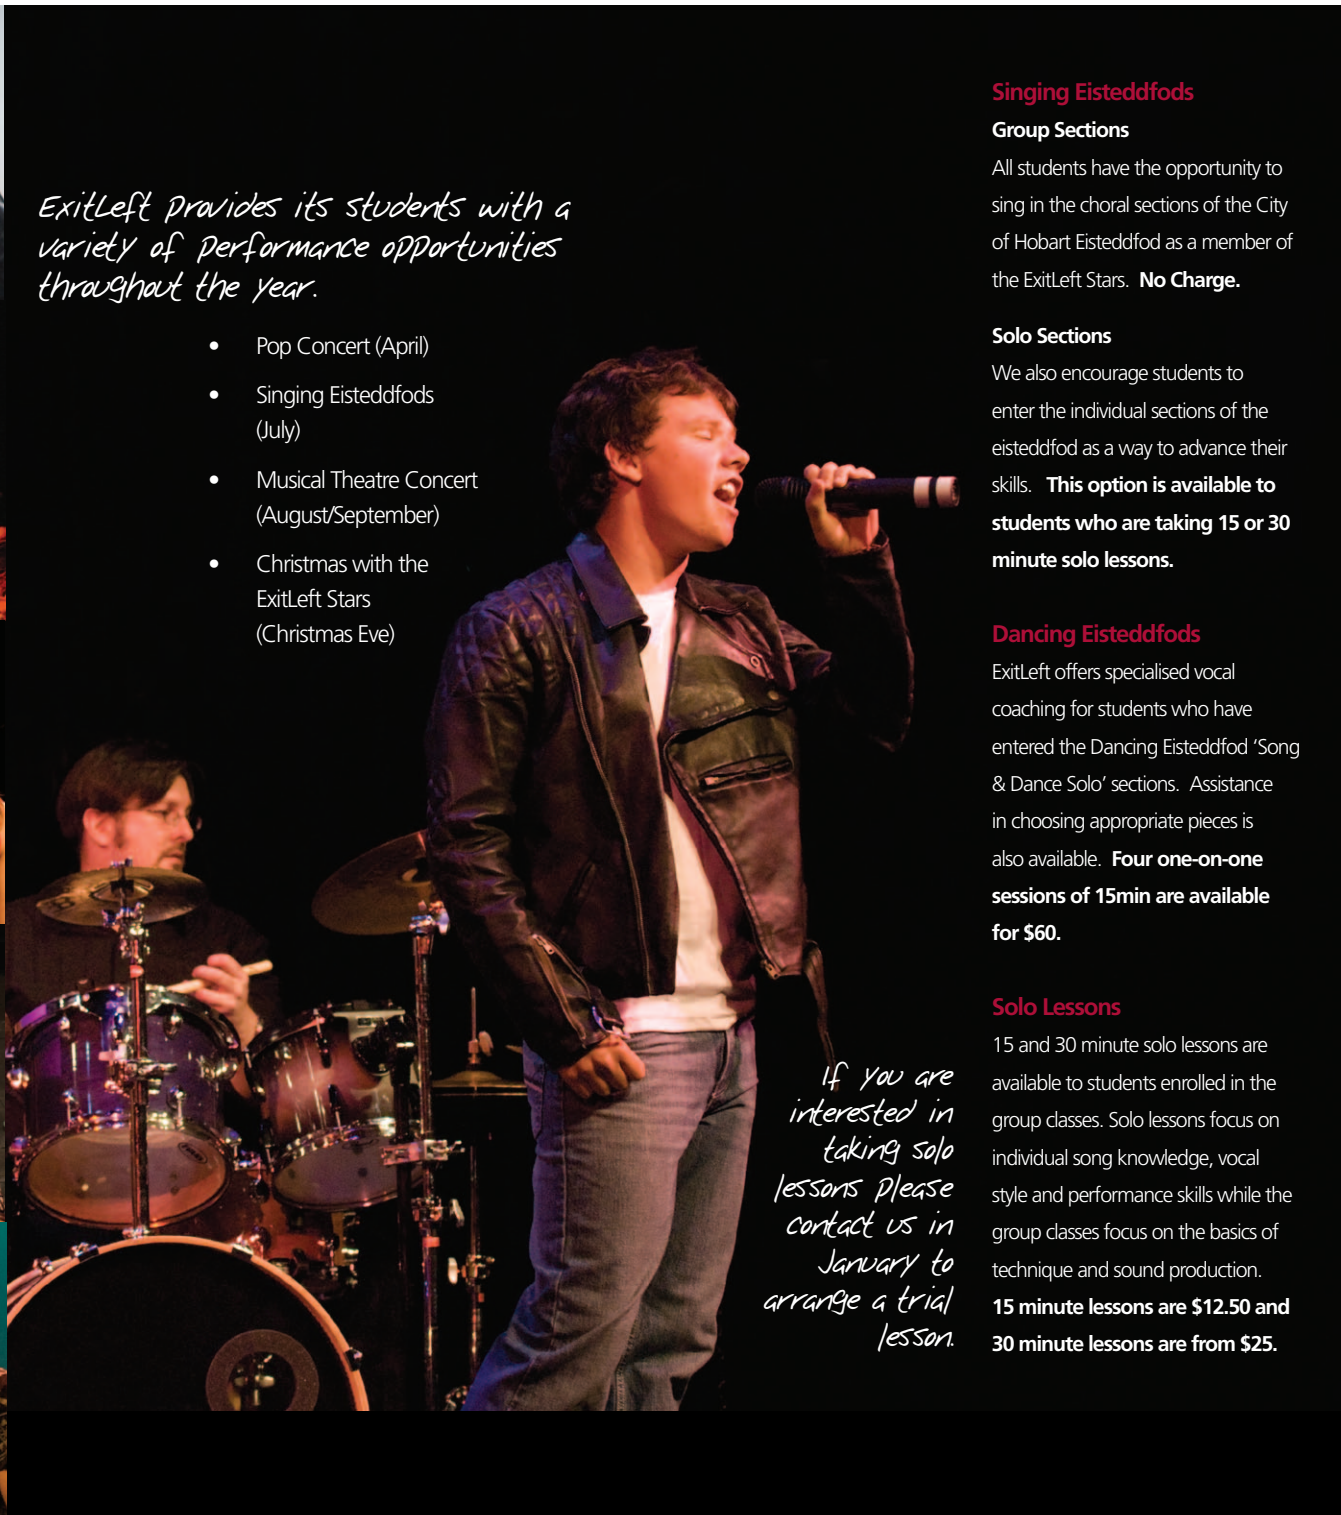

- Pop Concert (April)
- Singing Eisteddfods (July)
- Musical Theatre Concert (August/September)
- Christmas with the ExitLeft Stars (Christmas Eve)

Singing for Performer Classes

The Performance Classes teach technique, breathing and performance skills through Musical Theatre and Contemporary (Pop) styles of music. Students will have the opportunity to perform at major venues throughout the year, such as public performances, corporate entertainment, Eisteddfods, concerts and theatre shows culminating with our end of year Concert on Christmas Eve.

Principal Ian Williams (B.mus) is a Director and Musical Director and the creator of some of the biggest musicals in the State including *Les Misérables*, *Annie*, *Rent*, *CATS*, *High School Musical*, the recent sell out show *13 the Musical* and the upcoming family event *The Sound of Music*. **The Singing for Performers Classes are only \$12.50 per session (or \$13.75 for the senior/ advanced class).**

Singing Eisteddfods

Group Sections

All students have the opportunity to sing in the choral sections of the City of Hobart Eisteddfod as a member of the ExitLeft Stars. **No Charge.**

Solo Sections

We also encourage students to enter the individual sections of the eisteddfod as a way to advance their skills. **This option is available to students who are taking 15 or 30 minute solo lessons.**

Dancing Eisteddfods

ExitLeft offers specialised vocal coaching for students who have entered the Dancing Eisteddfod 'Song & Dance Solo' sections. Assistance in choosing appropriate pieces is also available. **Four one-on-one sessions of 15min are available for \$60.**

Solo Lessons

15 and 30 minute solo lessons are available to students enrolled in the group classes. Solo lessons focus on individual song knowledge, vocal style and performance skills while the group classes focus on the basics of technique and sound production. **15 minute lessons are \$12.50 and 30 minute lessons are from \$25.**
